

Subjects covered:

- Science
- Art and Design
- PE (Physical Education)
- PSHE

KS2 School Day Trip

Topic: Bushcraft Day

Activities:

- Archery- Practice this ancient skill that requires precision, control and a steady hand. Learn the techniques required to hit your target and feel like an ancient woodland hunter!
- Hapa Zome- Discover the Japanese art of 'leaf bashing', forage for the natural materials and whittle your flag pole.
- Build a den- negotiate, problem solve and work as a team in order to build a liveable structure made out of natural elements.
- Fire lighting- master different techniques to build, light and nurture a fire using natural materials and bushcraft techniques.

Extra curricular activities:

- Adventure playground- Test your physical skills as you attempt to make your way around our woodland obstacle course. To complete the circuit requires balance, trust and strength.
- Campfire, marshmallows and reflection- End the day around the Lymley wood fire, discussing what went well and what you learnt during your time here.
- Optional healthy lunch
